

Wynns Coonawarra Estate

Riesling 2002

Wynns Coonawarra Estate Riesling, first vintage 1962, has gained a reputation as one of Australia's most consistent, value-for-money white wines. From a region famed for its red wines, this Riesling proves that the Coonawarra can also produce whites of the highest quality.

This wine tends to show Riesling characters at the riper end of the spectrum, with floral aromas and an attractive fruit lift that contrasts with the steely-dry structure associated with many Clare and Eden Valley Rieslings.

The 2002 is a superbly aromatic example of a cool climate Riesling and will age gracefully during cellaring.

Vintage Conditions

Overall, the combination of planned yield reduction techniques and a dry growing season meant that the 2002 fruit was of an exceptionally high quality. In addition, the Riesling fruit was particularly concentrated and resulted in a wine with an excellent acid structure.
